### **Description**

ALIPATO, A Journal of Basic Education, is an annual refereed journal in English and Filipino that aims to disseminate information on trends, developments, and research findings relevant to basic education. It is published by the Office of Research, Development and Publication (ORDP) of the UP Integrated School, University of the Philippines, Diliman, Quezon City.

### **Publication Guide**

1. The manuscript on basic education should be original and has not been published in any form.
2. It can be written in English or in Filipino.
3. The manuscript will be screened by the Alipato Editorial Board and chosen referees with expertise in specific areas/fields.
4. The manuscript should be composed of 6,000 to 10,000 words including abstract, tables, figures, notes, reference list, and appendix/es. The abstract should clearly state the main objectives, conclusion, and recommendations of the research in 200 words or fewer.
5. The manuscript should be encoded in .doc/.docx, EB Garamond 12, double-spaced.
6. The authors are responsible for securing permission for copyrighted materials.
7. The biography of the author/s, not exceeding 150 words should include educational background, research field, and published papers, and should be submitted as a separate word file.
8. For documentation, the parenthetical reference style should follow the APA Manual of Style (7th edition).

9. All manuscripts should pass through the editing process based on the UPIS ORDP Guide to Editing.
10. The author is required to accomplish the [form](#) issued by the ORDP, which among others, states that the manuscript has not been printed in any form of publication.
